# APPLICATION FOR BAPTISM (Child)

**Baptisms are celebrated as part of a normal Sunday service (not in private).**

This form must be completed and signed by one or both of the child's parents or guardians. The grey boxes do not need to be completed.

If one (or both) of the parents is no longer part of the family, or has died, please try to complete as much of the form as possible.

Godparents must be baptised Christians; it's helpful if they are also faithful members of their local church or chapel.

You must provide *at least* two Godparents for your child. If you want *more than three* Godparents, please write the additional names on the back of this form, and state whether they are baptised and confirmed.

Parents may act as Godparents for their own child, provided there is at least one other Godparent.

**There is no fee for a baptism service.** Baptism marks God's loving welcome into the church family – and God's love is always given freely and generously!
